

### REMARKS

The Notice of Allowance has been received and the allowance of the claims acknowledged with satisfaction. However, there is a mistake in the Examiner's Amendment of claim 29. The present Amendment After Allowance corrects error.

The Amendment After Allowance does not change the scope of the invention and no further examination is necessary thereby no new issues of patentability are raised, and merely amends the equation in line 12 of claim 29 to correctly refer to variable "k". It is therefore respectfully requested that the Amendment After Allowance be entered pursuant to 37 C.F.R. § 1.312.

It is believed that no fee is due in order to obtain entry of this Amendment After Allowance. Should any fee be deemed due, however, please charge to Deposit Account No. 22-0261 and advise us accordingly.

Respectfully submitted,
